

Peer Review Feedback and Reflection

Author: Ahmet Berkay Diril

<i>Name</i>	<i>Feedback</i>	<i>Files contributed by him</i>
Arsalan Khan	Arsalan was always helpful and positive to solve the problems we faced. He helped Irfan to manage to schedule and meetings. The decided the channels that we can keep in touch and decide how we should progress. He also arranged the time that we can work on the project together.	Project_Management_and_Participation_Document.pdf Team_meeting_minutes.pdf
Irfan Saif	Irfan was always helpful and positive to solve the problems we faced. He was managing the communication processes and his plan helped us to discuss about the project. He focused on the literature of the covid part to classify our subject and make it clear.	Literature_Review.pdf
Samuel Lartey	Samuel was always helpful and positive to solve the problems we faced. He was very good at examining the literature part and references. He focused the articles that we can get help to analysis our data. He arranged the documentation for the Wiki platform.	Documenting_research_and_development.pdf
